Purpose: To raise funds for the Cystic Fibrosis Foundation research programs. Cystic Fibrosis is a life-threatening genetic disease that affects the lungs and digestive system. More than 10 million Americans are symptomless carriers of the defective gene. Entry fees from the Parade Route Run/Walk will be presented to the Foundation in the name of Mallory Mae Holloway born 1 June 2005. She was diagnosed with Cystic Fibrosis after her 2nd birthday. She is the Daughter of former Lompoc resident Matt Holloway who ran on the track team for Lompoc High School. To learn more about Mallory Mae and the Cystic Fibrosis Foundation visit her website at http://movinformallory.blogspot.com.

Parade and Flower Festival: The 59th Annual Flower Festival Parade starts at 10 AM near the start/finish area of the Run/Walk and ends at Ryon Park, Home of the Flower Festival. Carnival rides, free entry & entertainment, food booths, and art vendors are all located within the Park.
